# Hello! This is a short guide for participants of Arbidex token sale.

To participate in the token sale you need to have a verified account on MVP website https://arbidex.io

To register please follow the link https://arbidex.io

To register on the platform you need to enter your e-mail and create a password (at least 8 symbols, upper and lowercase letters, numbers and symbols). After that, you will receive a letter with a confirmation of your registration; click the link in the message to proceed.

Then you need to pass verification. For verification, you need to enter your name, date of birth and citizenship. Also please attach **2 identity documents** (for example, a passport, ID or a driver's license), as well as your photo, and a handwritten signature: **«ARBIDEX, your name, the date»**. Make sure that your face is clearly visible and all information in your ID is clearly readable.
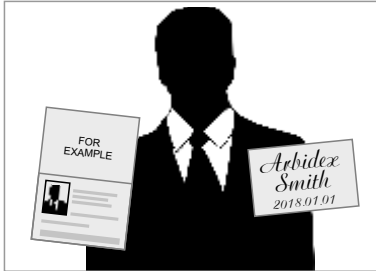

After you sent the documents for verification, you can start buying ABX-tokens. To start you need to add up funds to your ETH balance in Account tab - click "PLUS" to add ETH and the deposit address will be displayed: **0x04e2995fe1653b2c0387365d606935d23caf7ea9**

After you add ETH, please check your balance in Account tab and open the Token Sale tab. For your convenience, there is a calculator feature to convert ETH needed to buy ABX tokens. Enter the amount of ABX you want to buy or the amount of ETH to sell and click **«BUY»**. Please note that to buy ABX-tokens you need to have a sufficient ETH balance. To check the amount of your ABX-tokens please click **«PROFILE»** in your Account tab.

You will receive an email confirming the verification shortly. If the verification was successful, after the token sale ends, free 5 ABX tokens will be added to your Account. If you didn't pass the verification, we will make a refund of your ETH after the token sale ends.
